BY-LAWS OF THE TOWNSHIP OF RALEIGH

No. 613.—A BY-LAW

To amend By-law No. 557, intituled "A By-law respecting Statute Labor

BE IT ENACTED by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent.

1. That the said By-law No. 557, respecting Statute Labor, be amended by substituting the words "One dollar per day" in place of the words "Fifty cents per day" where they occur in the first clause thereof. Also by adding at the end of said clause the words "All persons liable for Statute Labor, other than those assessed for property, may commute for fifty cents per day, provided they pay in the manner and time as stated above."

2. That clause 2 be amended so as to read, after the word "hereafter" in the third line thereof, where the property is assessed \$200; and under and under two days, over \$200 up to \$1000; three days and one day additional for each \$1000 or fraction thereof. Also to read after the word "provided" in the tenth line, "All persons shall be compelled to perform Statute Labor in the division in which their property lies."

3. No refund for Statute Labor performed after the 1st day of September in each year will be given to any ratepayer, nor any receipt from the Overseer entertained.

Read a third time and passed this 19th day of March, A.D. 1894.

J. G. STEWART, Clerk.

(Seal)

R. J. MORRISON, Reeve.

No. 614—A BY-LAW

To amend By-law No. 612, intituled a By-law to appropriate certain sums of money.

BE IT ENACTED by the Municipal Council of the Corporation of the Township of Raleigh as follows:

1. That the sixth clause of the said By-law No. 612 be repealed and the following substituted therefore.

6. That Charles Crow be, and he is hereby appointed Commissioner to superintend the Pike Pumping Work, and that the said Commissioner report to the Council all contracts or jobs sold by him, who will issue orders on the Treasurer for the same when passed by the Council.

Read a third time and passed this Nineteenth day of March, A.D. 1894.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 615—A BY-LAW

To raise the sum of \$10,000, to aid in the construction of tile, stone and timber drains.

The municipality of the Township of Raleigh, pursuant to the provisions of "The Tile, Stone and Timber Drainage Act," enacts as follows:—

1. That the Reeve of the said Township may, from time to time, subject to the provisions of this By-law, borrow on the credit of the corporation of the said municipality such sums of money, not exceeding in the whole, ten thousand dollars, as may be decided by the said Council, and may in manner hereinafter provided, issue debentures of the said Corporation in sums of one hundred dollars each for the amount so borrowed; the said debentures to have coupons attached as provided in Section 5, of the said Act.

2. That when the Council shall be of opinion that the application of any person or persons who may be assessed as owner of land in the said municipality, to borrow money for the purpose of constructing tile, stone or timber drains should be granted in whole or in part, then the said Council may, by resolution, instruct the said Reeve to issue debentures as aforesaid, and borrow such sum of money as does not exceed the amount applied for, and may loan the same to the said applicant on the completion of said drainage works.

3. A special annual rate shall be imposed, levied and collected, over and above all other rates, upon the land in respect of which the said money shall be borrowed, sufficient for the payment of the interest and sinking fund, as provided in the said Act.

Read a third time and passed this twenty-third day of April, A. D. 1894.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 616—A BY-LAW

To provide for the maintenance, repairing and otherwise improving certain portions of "The Pike Drainage Works," and works connected therewith, in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality the sum of \$633.14 for completing the same.

As amended by By-law No. 618.

Provisionally adopted the 19th day of March, A.D. 1894.

WHEREAS The Pike Drainage Works were originally constructed in or about the year A. D. 1892, under the provisions of the Municipal Acts then in force, for the reclamation of marsh lands by embankment and pumping.

And Whereas the said works as subsequently improved, have been since and are now in operation.

And Whereas it has been represented to this Council that the efficiency of the said works would be greatly increased and the expense of pumping reduced by deepening and otherwise improving the flood gate which pro-

vides an outlet to the River Thames, and by raising the River Road across Lot No One so as to form a higher embankment to prevent the overflow of water from the River Thames.

And Whereas thereupon, the said Council procured an examination to be made by W. G. McGeorge, P.L.S., being a person competent for such purpose, of the said locality, and of the said flood-gate and other proposed works, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by such proposed work, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such proposed work, by every lot or portion of lot; the said assessment so made being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of the said proposed work being as follows:

Chatham, 7th March, 1894.

To the Reeve, Deputy-Reeves and Municipal Council of Raleigh:

GENTLEMEN,—Having received from your Honorable Body a resolution based on the petition of P. D. McKellar and others regarding improvements in the Pike Drainage Works.

1st. The lowering of the flood-gates or the construction of a new one alongside the present one.

2nd. The raising of the roadway near the river at Lot Number One.

I beg to report thereon as follows: In regard to the flood-gates, I recommend that they be lowered fifteen inches lower than at present. The work to be as follows: The present flooring and brick-work and concrete to be removed and the space underneath the flooring to be excavated a sufficient depth to relay the flooring, concrete and brick-work in such a way as to bring its surface height to an elevation of fifteen inches below its present height. The apron and walings at the front of the flooring to be removed and the sheet piling at the front to be driven down to a level with the flooring, and the waling to be re-attached at this elevation, also the apron replaced at the lower elevation and secured as formerly. Then the gates to be lowered to suit and to be swivelled as at present, and lifting chains lengthened to suit. The work to be done according to attached specifications.

Again, I recommend that in connection with the work on the flood-gates, the Railway Drain leading to the flood-gates be deepened to the level of the new flooring, and to a bottom width of 20 feet from the gates to the middle of the run at the railway culvert, on Lot One, and a branch be made with the same bottom elevation and a bottom width of ten feet to the deep water under the culvert, on lot one, and a branch be made with the same bottom elevation and a bottom width of ten feet to the deep water under the culvert. This is merely a short branch to give the water a clean flow from the railway culvert. Then that the drain along the south side of the railway be deepened with the same

bottom elevation and a bottom width of 12 feet onward from the railway culvert to the line of Lots 1 and 2. The whole, with side slopes, 1 to 1 and berm of 4 feet. This work is chiefly removing bars and accumulations to give a free flow to the water from the north side of the railway and to the water from the plains to the south at seasons of low water in the cut outside of the flood-gates and will very materially lower the expense of pumping.

I find the River road at Lot One in a very bad state, both for public travel and for a preventative to inflow of water from the river in time of flood, and I recommend that the allowance be widened to a width of fifty feet, and that the road be raised with a top width of 20 feet to the elevations shown on the profile hereto attached, the material to be taken from the north side of the road and the excavation to be graduated along the bottom so as to drain freely westward to the dredge, cut berm, 2 feet slope of bank 1 to 1.

I estimate cost as follows :

Work and material at flood-gates.....	\$150 00
Excavation in Railway Drain	100 00
Work, raising roadway	475 00
Land acquired to widen road.....	100 00
Survey, plan, profile, report, etc.....	25 00
Assistants in survey	3 00
Letting and superintending	25 00
By-law.....	20 00
Clerk's fees.....	10 00
Registering By-law and Debentures	3 00

Making a total of\$912 00

In my opinion the widening of the road is rendered necessary from the exigencies of public travel and convenience and that the cost of this would be a proper charge against the municipality. The rest is for the purpose of reducing the cost of pumping, and I consider it should be assessed against all lands whose waters are disposed of in that way. I therefore assess the cost against all the lands that will be benefitted. I recommend that the work of lowering the flooring of the flood-gate and other work in and about it be done by day's work under reliable supervision, say of the Commissioner of the Pike works, as until the old floor is torn up and the foundation exposed it is impossible to tell more than in a general way all that will be required. References in the specifications are to the original plan of the flood-gate. Owing to the depth of water over the lands, I could not stake out the work of the Railway Drain, but backwater level will enable the work to be done just as well. I have the honor to be, gentlemen,

Your obedient servant,

W. G. McGEORGE.

SPECIFICATIONS—The work will consist of the removal of the old flooring and the lowering of the bottom to such a depth underneath as will on the replacing of the new flooring leave the surface fifteen inches lower than at present. The removal of the waling from the sheet piling at the flood gate openings and of the apron in front, and the driving down of said sheet

piling to a further depth of fifteen inches, and the relaying of the walling and apron at the lower relative depth, securing the same as formerly, and the lowering of the gates to correspond, and the planking up of the front above the gates, to prevent inflow at high flood. The flooring shall be relaid at the lower depth in the same way as formerly, with brick, stone and gravel, well cleaned, and with Akron cement mortar, freshly mixed, with one part cement to two parts clean, sharp sand, by measure, thoroughly mixed dry and water added till the proper consistency is attained; no mortar to be used after standing two hours.

If it be found on exposing the foundation that the work specified in the foregoing can be still further lowered to a further depth of three inches, the Commissioner to be at liberty to have this done.

The general construction of the flood-gates is shown on the general plan, and the posts, side walls and parts other than those specified, will remain undisturbed, the chains for lifting the gates only being lengthened to suit.

W. G. McGEORGE

And Whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Consolidated Municipal Act, 1892, and amendments thereto.

1. That the said report, plans and estimates be adopted, and the said drain and the works connected therewith be made and constructed in accordance therewith.

2. That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of six hundred and thirty-three dollars and fourteen cents, being the funds necessary for the work not hereinafter otherwise provided for, and may issue Debentures of the Corporation for that amount and interest, in sums of not less than one hundred dollars each, payable within five years from the date thereof, with interest at the rate of five per cent. per annum, that is to say, in five consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of five years, such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3. That for the purpose of paying the sum of six hundred and thirty-three 14-100 dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the municipality, and to cover interest thereon for five years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and in interest assessed as aforesaid against each lot or part of lot respectively shall be divided into five equal parts and one such part shall be assessed and levied as aforesaid in each year for five years

after the final passing of this By-law during which the said Debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh, for the improvement of the Pike Drainage Works and Extension, for benefit.

ENGINEER'S ASSESSMENT.						AMOUNT TO BE RAISED.			
Concession.	Part Lot.	Lot.	Acres.	Value of Improvement.	Name of owner by Assessment Roll.	Assessed by Judge.	To cover interest for 5 years at 5 per cent per annum.	Total Special Rate.	Annual Assessment during each year for 5 years.

No. 618.—A BY-LAW

To amend By-law No. 616, which see as amended.

No. 619—A BY-LAW

For the appointment of an Inspector under the Tile, Stone and Timber Drainage Act.

THE MUNICIPAL COUNCIL of the Township of Raleigh, in the County of Kent, enacts as follows:—

1. Pursuant to the provisions of Section 15, of "The Tile, Stone and Timber Drainage Act," Milton Backus, of the Township of Raleigh, in the County of Kent is hereby appointed Inspector for this Municipality to carry out the provisions of the said Act.

2. The said Inspector shall be paid at the rate of the Two Dollars per day and Ten Cents per mile one way, for services rendered under the said Act.

3. The clerk shall be paid one and one-half per centum on all debentures issued under this Act. One per cent. thereof to be paid on completion of the work, and one-half per cent. on all sums as placed on the Collector's Roll.

4. This By-law shall take effect from and after the final passing thereof.

Read a third time and finally passed this Thirtieth day of July, A. D. 1894.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 620—A BY-LAW

Imposing a special drainage rate upon the west 4-5 of lot numbered Seven, in the Front Range of the Township of Raleigh.

WHEREAS, Albert Williams, the owner of the west 4-5 of lot numbered Seven, in the Front Range of this Township, applied under the provisions of the Act respecting Tile, Stone, Timber Drainage Debentures, for a loan to be made to him for the purpose of draining the said land.

And whereas, the Municipal Council has, upon his said application, loaned the said Albert M. Williams, the sum of Two Hundred Dollars, to be repaid with interest by means of the rate hereinafter imposed.

Be it therefore enacted, by the said Municipal Council of the said Township of Raleigh, that an annual rate of fourteen dollars and seventy-two cents per annum is hereby imposed upon the said land, for a period of twenty years, such rate to be levied and collected at the same time and manner as ordinary taxes are levied and collected.

Read a third time and passed this Third day of September, 1894.

J. G. STEWART, Clerk.

(Seal.)

No. 621—A BY-LAW

Imposing a Special Drainage Rate upon the west half of the west half of lot No. Ten, in the Front Range of the Township of Raleigh.

WHEREAS, George W. Brown, the owner of the west half of the west half of lot numbered Ten, in the Front Range of this Township, applied under the provisions of the Act respecting Tile, Stone and Timber Drainage Debentures, for a loan to be made to him for the purpose of draining the said land.

And whereas, the Municipal Council has, upon his said application, loaned the said George W. Brown, the sum of three hundred dollars, to be repaid with interest by means of the rate hereinafter imposed.

Be it therefore enacted, by the said Municipal Council of the said Township of Raleigh, that an annual rate of twenty-two dollars and eight cents per annum is hereby imposed upon the said land for a period of twenty years, such rate to be levied and collected at the same time and manner as ordinary taxes are levied and collected.

Read a third time and passed this Third day of September, 1894.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 622—A BY-LAW

To amend By-law No. 387, known as "The Pike Drainage Works By-law."

WHEREAS, under the provisions of the Consolidated Municipal Act, 1892, Municipal Councils may pass By-laws to amend By-laws which may have been passed for the construction and maintenance of drainage works, and which may have been acted upon in whole or in part, and which do

not provide sufficient means for the completion of the work or redemption of the debentures authorized to be issued thereunder.

And whereas, the pumping account of the said Pike Drainage Works is now overdrawn to the extent of at least four hundred dollars, as shown by the report of the Treasurer.

And whereas, it is necessary to provide for the said amount so overdrawn.

Be it therefore enacted by the said Municipal Council of the Corporation of the Township of Raleigh.

1. That there shall be raised, levied and collected upon and from all the lands and roads assessed for the said Pike Drainage Works, the said sum of four hundred dollars, by a rate pro rata on all the lands and roads so assessed therefore, sufficient to discharge the said sum, and in addition to the annual rate authorized by the said By-law No. 387 $\frac{1}{2}$ for the redemption of the Debentures and maintenance of the said works in the year 1894.

Passed this Third day of September, A. D. 1894.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 623—A BY-LAW

As amended by By-law No. 625

To assess and levy rates for County, Township and School purposes for the year 1894.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent.

1. That the following sums shall be levied and collected upon and from all the ratable property of the Township of Raleigh in the year of our Lord 1894.

(1) The sum of \$5,048.86 for the general purposes of the County of Kent by a rate of 2 $\frac{1}{10}$ mills in the dollar.

(2) The sum of \$6,800 for the general purposes of the Township of Raleigh, as per Schedule "A" hereunto annexed, by a rate of 2 $\frac{8}{10}$ mills on the dollar.

(3) The sum of one thousand nine hundred and ninety-one $\frac{50}{100}$ dollars, being an amount equal to the Legislative school grant of \$469 and \$1,522.50, the amount required to be raised for each school section by general rate as provided in Section 109 of "The Public Schools Act, 1891," exclusive of the property of certain supporters of Separate schools, by a rate of $\frac{91}{100}$ of a mill on the dollar.

2. That the Clerk of this Corporation is hereby required to levy a special rate (over and above all other rates) upon, and which shall be collected from all the ratable property included in each and every School Section the Trustees of which shall furnish him, on or before the 24th day of August, with a written statement signed by the Secretary-Treasurer, and

certified by the seal thereof, of the amount required for Public or Separate School purposes in each School Section (less the amount required to be raised as aforesaid by general rate), such a rate pro rata as will amount to the sum so required, as near as may be; and the Treasurer of this Corporation is hereby authorized and instructed to pay to the order of the Secretary-Treasurer or Trustees of each School Section all moneys so levied and credited to such School Section.

3. That the rates so imposed by this by-law shall be collected by the Collector of rates for the said Township of Raleigh, and paid over to the Treasurer of this Corporation, in bankable funds, on or before the fourteenth day of December, A.D. 1894, in so far as the law will enable him so to do, unless otherwise ordered by this Council.

4. That John Johnston be and he is hereby appointed Collector of rates for the said Township of Raleigh during the current year and until the said rates are all collected and a due return made to the Treasurer of this Corporation, (the amount so collected to be paid at least every two weeks), conditionally upon his furnishing bonds duly executed by himself, and good and sufficient sureties, to be approved by this Council, in the sum of twenty thousand dollars. And for the due performance of these and all duties of Collector, as provided by the Statutes of Ontario and the By-laws of this Municipality, he shall be paid the sum of one hundred dollars, inclusive of all duties that do, or may pertain thereto.

Read a third time and passed this 3rd day of Sept., A. D. 1894.

No. 624—A BY-LAW

To provide for the construction of "The Burns Drain," in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the municipality, the sum of \$2947.35 for completing the same.

Provisionally adopted the Thirtieth day of July, 1894.

WHEREAS, the majority in number of the resident and non-resident owners (exclusive of farmers sons not actual owners), as shown by the last

revised assessment roll, of the property hereinafter set forth to be benefitted by drainage work, have petitioned the Council of the said Township of Raleigh, praying that the area of land within the said Township, and being described as follows: that is to say, the west half of lot 145, lots 146 and 147, and the east three-quarters of lot 148, all in the Talbot Road Range in the said Township, may be drained by means of a drain commencing at the rear of said lots, thence southerly to Lake Erie.

And whereas, thereupon, the said Council has procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the said area proposed to be drained and the means suggested for the drainage thereof, and of other lands and roads liable to assessment under the said Act, and has also procured plans, specifications and estimates of the drainage work to be made by the said W. G. McGeorge, and an assessment to be made by him of the lands and roads to be benefitted by such drainage work, and of other lands and roads liable for contribution thereto stating as nearly as he can the proportion of benefit, outlet liability and injuring liability which, in his opinion, will be derived or incurred in consequence of such drainage work, by every road or lot or portion of lot; the said assessment so made, being the assessment hereinafter by this By law enacted to be assessed and levied upon the roads and lots or parts of lots, hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of the said drainage work being as follows:

Chatham, June 30th, 1894.

GENTLEMEN,—I beg to report to your Honorable Body that I have made an examination and survey of the proposed Burns Drain in the Township of Raleigh, as petitioned for by Thomas Moore and others.

I submit a plan with this report and a profile of the ground in the course of the proposed drain, with data for its construction if deemed desirable.

The lots described in the petition and the roads along which the drain runs are among the most difficult to drain in the Township, as a large portion of them are in a swampy depression in which the water settles, and from which it cannot be removed without expensive excavation, either southward to Lake Erie, or northward to Government Drain No. One, which would have to be made very deep to provide an outfall. I have laid out the work to begin at the southerly side of the road in rear of the Talbot Road lots as travelled, and in the range of the line between the east half and the west half of Lot 145, and will thence run south-westerly along the southerly side of the wagon-way of said road, to the road in the middle of Lot 147, then southeasterly, along the easterly side of the wagon-way of this road to Station 65 of my survey, then southwesterly along the line of stakes of my survey to the line of lots 147 and 148, then southeasterly on this line, taking half the drain on each side to Station 100, near Lake Erie, where there is already a sufficient drain. The owners of west half 147 and east half 148 have arranged to give, without charge, the lands, &c., for the work.

Where the drain runs on a road, the excavated earth will be cast three feet clear of the drain, and spread evenly on the road to a width of eighteen feet. On the rest of the drain it will be cast on each side three feet clear of the drain

I have given the bottom of the drain a fall of one inch in twelve rods, and even this small fall has the effect of making the drain very deep in the low lands towards the centre of lot 147. Without this it will not work at the rear of the lots, and besides it would be useless for the drainage of west half of lot 145 and lot 146 if the drain were made shallow there and had less fall. As these lands are at the present time they seem to be of very little use even for pasture, I mean those in the depression before mentioned, and indeed there is only a little of the front of each lot now fit for cultivation. The advantages of draining south would be permanency of work and relief from liability for outlet tax and injuring liability tax, which would come against these lands on improving the Raleigh Plains Drain and Government Drain No. One from time to time.

The cost of the proposed Burns Drain is very heavy, but I believe it would pay to have it done, taking all things into consideration.

My estimate of the cost of the work is as follows:

From sta	0 to sta	10 a dis.	of 60 rods at \$1 50 per rod	\$	90 00
"	10 "	20 "	60 "	1 50 "	90 00
"	20 "	30 "	60 "	1 50 "	90 00
"	30 "	40 "	60 "	2 00 "	120 00
"	40 "	50 "	60 "	3 50 "	210 00
"	50 "	60 "	60 "	4 00 "	240 00
"	60 "	70 "	60 "	4 00 "	240 00
"	70 "	80 "	60 "	7 00 "	420 00
"	80 "	90 "	60 "	12 00 "	720 00
"	90 "	100 "	60 "	8 00 "	480 00

\$2700 00

To this add for survey, plans, report, &c	\$	45 00
assistants in survey		4 25
publishing By-law		30 00
bridge or culvert on Talbot Road		100 00
" " Sideroad on lot 147		35 00
letting and superintending		50 00
registering By-law and Debentures		3 00

247 25

\$2947 25

I cannot recommend the use of tile in the deep cut, say from Station 77 to 99 as using 18-inch tile, I make the cost of this part some \$300 more than for the open drain, and the open drain will be the best, as the fall is sure to improve in time from erosion of the bottom of the drain.

I assess the cost of the work against the lands and roads benefitted in the schedule hereto annexed. The drain when completed to be kept in repair and maintained at the cost of the lands and roads assessed for its construction, said lands and roads paying in the same relative proportion as for construction.

I have the honor to be, gentlemen,

Your obedient servant,

W. G. McGEORGE.

AND WHEREAS, the said Council are of opinion that the drainage of the area described is desirable:

Therefore, the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of The Drainage Act, 1894, enacts as follows:

1. The said report, plans, specifications, assessments and estimates are hereby adopted, and the drainage work as therein indicated and set forth shall be made and constructed in accordance therewith.

2. The Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh the sum of two thousand nine hundred and forty-seven dollars and twenty-five cents, being the funds necessary for the work, and may issue debentures of the Corporation to that amount in sums of not less than \$50 each, and payable within twenty years from the date thereof, with interest at the rate of five per centum per annum, that is to say, twenty debentures of \$236.49 each, without coupons, one of such debentures to be payable in each year for twenty years at the Canadian Bank of Commerce in the Town of Chatham.

3. For paying the sum of two thousand four hundred and twenty dollars, the amount charged against the said lands and roads for benefit, apart from lands and roads belonging to or controlled by the Municipality, and for covering interest thereon for twenty years at the rate of five per centum per annum, the following total special rates, over and above all other rates, shall be assessed, levied and collected (in the same manner and at the same time as other taxes are levied and collected) upon and from the undermentioned lots and parts of lots and roads, and the amount of the said total special rates and interest against each lot or part of lot, respectively, shall be divided into five equal parts, and one such part shall be assessed, levied and collected as aforesaid in each year for twenty years after the final passing of this by-law, during which the said debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh, for the construction of the Burns Drain, for benefit.

4. For paying the sum of \$527.25, the amount assessed against the said roads of the municipality, and for covering interest thereon for twenty years at the rate of five per centum per annum, a special rate on the dollar sufficient to produce the required yearly amount therefore, shall, over and above all other rates be levied and collected (in the same manner and at the same time as taxes are levied and collected) upon and from the whole ratable property in the said Township of Raleigh in each year for twenty years after the final passing of this By-law during which the said debentures have to run.

5. That T. L. Pardo be and he is hereby appointed Commissioner to let the contract or contracts for the construction of the said drain and works connected therewith by public sale to the lowest bidder (not exceeding the estimate), but every such contractor with one good and sufficient surety, shall be required forthwith to enter into bonds for the due performance and completion of such contract according to said plans and specifications, and within the time mentioned in such bond (unless otherwise ordered by the Council); and it shall be the duty of the said Commissioner to cause the said works to be made and completed in accordance with such plans and specifications, and to grant orders on the Treasurer to each contractor, less twenty per cent. of the amount due, until the contract is fully completed and duly accepted by a competent Engineer, and for the due performance of these and all duties of Commissioner, he, the said Commissioner shall be entitled to receive a sum of forty dollars.

6. That this By-law shall be published by serving a copy thereof on each of the assessed owners of the lands affected as provided in Sec. 22, of the Drainage Act, 1894, three weeks previous to the final passing thereof, and may be cited and referred to as "The Burns Drain By-law, and shall take effect on and after the final passing thereof.

Read a third time and passed this third day of September, A. D. 1894.

And whereas, the sum of eight thousand dollars is required to meet the now current expenses of the said Corporation, and it is expedient to authorize the Head and Treasurer to borrow the said sum.

Be it therefore enacted by the Municipal Council of the Corporation of the said Township of Raleigh, as follows :

1st. That the Head, with the Treasurer of the said Corporation, be, and they are hereby authorized, under the seal of the Corporation, to borrow from the Canadian Bank of Commerce the sum of eight thousand dollars required to meet the now current expenditure of said Corporation.

2nd. That the said Head, with the Treasurer aforesaid, be, and they are hereby authorized to pay or allow the said Bank interest on the said sum so borrowed at the rate of six per cent. per annum.

3rd. That a promissory note or notes covenant or agreement, sealed with the corporate seal, and signed on behalf of the Corporation by the Reeve and Treasurer, be duly executed and given to the said Bank as aforesaid as security for the repayment of the amount borrowed, with interest thereon as aforesaid.

Passed in open Council this twelfth day of November, in the year of our Lord one thousand eight hundred and ninety-four.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 627—A BY-LAW

To provide for repairing the Backus Drain, in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the municipality the sum of \$639.25 for completing the same.

Provisionally adopted the 15th day of October, A.D. 1894.

WHEREAS, proceedings were taken under, which a certain drainage work, known as the Backus Drain, was constructed in Raleigh, under By-laws of this municipality, passed in pursuance of acts respecting drainage works and local assessments ther fore.

And whereas, certain owners of lands interested in the said drainage work have given notice to this Council that their land are injuriously affected by the present condition of the said drainage work, and asking that the same be repaired and improved.

And whereas, for the better maintenance of the said drainage work and to prevent damage to lands and roads, it has been deemed expedient to repair and improve the said drain.

And whereas, thereupon, the said Council procured an examination to be made by W. G. McGeorge, P.L.S., being a person competent for such purpose, of the said drainage work proposed to be repaired, and of the repairs and other improvements which in his opinion will be necessary to prevent the said drain from injuriously affecting the lands or roads interested therein, and has also procured plans, specifications and estimates of the

work to be made by the said W. G. McGeorge, and an assessment to be made by him of the lands and roads to be benefitted by the said repairs or other improvements, and of other lands or roads liable for contribution thereto, stating as nearly as he can the proportion of benefit, outlet, liability and injuring liability which, in his opinion, will be derived or incurred in consequence of such drainage work, by every road and lot or portion of lot; the said assessment so made being the assessment hereinafter by this by-law enacted, to be assessed and levied upon the roads and lots and parts of lots, hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge, in respect thereof, and of the said drainage work being as follows:

Chatham, Sept. 18th, 1894.

TO THE REEVE AND MUNICIPAL COUNCIL OF THE TOWNSHIP OF RALEIGH:

Gentlemen,—Having made, under instructions from your honorable body, an examination and survey of the Backus Drain with a view to its being repaired to its original depth and capacity. I beg to report that I have made such examination and survey, and I recommend that work be done in said drain from the line between lots 19 and 20, in the Fifth Concession, to a point near the River Road at station 130 at the line of lots 15 and 16 of the Front Concession, and in the branch on lot 19 aforesaid, from the main drain to the Grand Trunk Railway, to the depths given on the profile accompanying this my report, and to a bottom width of three feet; the side slopes to be 1 to 1, excepting that where the sides are well sodded the slope given need not be adhered to, removing only such parts as are liable to fall into the drain, leaving it to the commissioner in charge of the work to decide as to the work to be done in the side slopes of the drain. The excavated earth will be placed three feet clear of the drain and to be spread evenly to admit of easy cultivation. Where the land on one side of the drain is seeded, the earth to be placed on the other side, unless by consent of the owner. The drain requires the repair to perfect the drainage and to provide proper outfall for underdrains made.

My estimate of the cost of the work is as follows:

From sta. 0	to sta. 10	a dia. of 60	rods at 60c	per rod \$	36 00
" 10	" 20	" 60	" 30c	"	18 00
" 20	" 30	" 60	" 30c	"	18 00

" 120	" 130	" 60	" 1.00	"	60 00
Branch dr. sta. 0	" 2	" 12	" 65c	"	7 80

\$456 80

To this add for survey, plan, estimates, report, etc. \$25 00
 Assistants in survey 4 00

Publishing By-law	30 00
Letting and superintending.....	35 00
Repairs to culverts	35 00
Clerk's fees.....	6 00
Registering By-law and Debentures.....	3 00—\$138 00

This makes a total of \$ 694 80

This sum I assess as in the annexed schedule against the lands and roads benefitted and using the drain as an outlet.

The drain to be kept in repair and maintained at the expense of the lands and roads and railways assessed for the work herein reported on, said lands roads and railways paying in the same relative proportion as for said work. I have the honor to be, gentlemen, your obedient servant,

W. G. McGEORGE.

And Whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Drainage Act, 1894."

1. That the said report, plans and estimates be adopted, and the said drain and the works connected therewith be made and constructed in accordance therewith.

2. That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of six hundred and thirty-nine dollars and twenty-five cents, being the funds necessary for the work not hereinafter otherwise provided for, and may issue Debentures of the Corporation for that amount and interest, in sums of not less than fifty dollars each, payable within five years from the date thereof, with interest at the rate of five per cent. per annum, that is to say, in five consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of five years, such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3. That for the purpose of paying the sum of three hundred and thirty-four 30-100 dollars, being the amount charged against the said lands for benefit, and the sum of \$304.95, the amount charged against the said lands for outlet liability other than roads belonging to the municipality, and to cover interest thereon for five years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into five equal parts and one such part shall be assessed and levied as aforesaid in each year for five years after the final passing of this By-law during which the said Debentures have to run.

SCHEDULE of assessment on lands and roads in the Township of Raleigh, for the repair of the Backus Drain for benefit and for outlet liability.

No 628—A BY-LAW

To impose a special drainage rate upon east 1/5 Lot No. 7 in the Front Concession.

Passed 3rd December, 1894.

WHEREAS Frederick Williams, the owner of east 1/5 Lot No. 7, in the Front Concession of this township, applied under the provisions of the Act respecting Tile, Stone and Timber Drainage Debentures for a loan to be made to him for the purpose of draining the said land.

And whereas the Municipal Council has, upon his said application, loaned the said Frederick Williams the sum of one hundred dollars, to be repaid with interest by means of the rate hereinafter imposed.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh that an annual rate of seven dollars and thirty-six

cents is hereby imposed upon the said land for a period of twenty years, such rate to be levied and collected at the same time and manner as ordinary taxes are levied and collected.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 629—A BY-LAW

As amended by By-law No. 632

To appoint Deputy-Returning Officers and to provide polling places for holding elections in the Township of Raleigh during the year 1895.

Also, to appoint a place for holding nominations therefor.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh in the County of Kent :

1.—That in case a poll be demanded by any candidate or elector at the nomination of candidates for the offices of Reeve, Deputy-Reeves and Councillors of the Municipality during the year 1895, the elections shall take place and be held in the several Polling Sub-divisions of the Municipality as provided by law, at the following places, viz :

In Polling Sub-division No. One, at the School House in Union School Section No. Six.

In Polling Sub-division No. Two, at the School House in School Section No. Three.

In Polling Sub-division No. Three, at the South School House in School Section No. Four.

In Polling Sub-division No. Four, at the School House in School Section No. Thirteen.

In Polling Sub-division No. Five, at the Separate School House in School Section No. Five.

In Polling-Sub-division No. Six, at R. A. Mason's Hall, in the Village of Merlin.

In Polling Sub-division No. Seven, at the Foresters' Hall, in the Village of Buxton.

In Polling Sub-division No. Eight, at the School House in School Section No. Eight.

In Polling Sub-division No. Nine, at the School House in School Section No. Nine.

In Polling Sub-division No. Ten, at the School House in School Section No. Ten.

2.—That the following named persons be, and they are hereby appointed Deputy-Returning Officers, to hold any Municipal election required to take place in the several Polling Sub-divisions as aforesaid, during the year A. D. 1895, viz :

In Polling Sub-division No. One, John Johnston.

In Polling Sub-division No. Two, Joseph J. Payne.

In Polling Sub-division No. Three, Elbert S. Dyke.

In Polling Sub-division No. Four, George B. Shreeve.

In Polling Sub-division No. Five, Michael Doyle.

In Polling Sub-division No. Six, Matthew Dillon.

In Polling Sub-division No. Seven, James Hancock.

In Polling Sub-division No. Eight, John H. Harvey.

In Polling Sub-division No. Nine, James Goulet.

In Polling Sub-division No. Ten, William H. Pardo, jr.

3. That the public meeting required to take place at noon on the last Monday in December for the purpose of nominating candidates as aforesaid, shall take place and be held in the Township Hall in the said Township of Raleigh, at noon, on Monday, the Thirty-first day of December, A. D. 1894.

Read a third time and passed this Third day of December, A. D. 1894.

No. 630.—A BY-LAW

Respecting Statute Labor.

BE IT ENACTED by the Municipal Council of the Corporation of the Township of Raleigh.

1. Every male inhabitant of the municipality of the age of twenty-one years and under sixty years, who is not assessed for taxable property and not exempt by law, shall perform two days of Statute Labor on the Public Highways, but may commute for the same on payment of One Dollar to the Overseer within three days from the time he was notified to perform Statute Labor, and in case of neglect or refusal to perform the said Statute Labor or pay the commutation money as herein provided, it shall be the duty of the Overseer to lay a complaint before a Justice of the Peace, as provided in Clause 12 of this By-law. And such labor shall not be returned by the Overseer as undone to the Clerk, except in case of removal or absence from the division, or for other good and sufficient reasons to be clearly stated in his report. And no person shall be exempt from the tax in this Clause mentioned unless he produces a certificate of his having performed Statute Labor or paid the tax elsewhere.

2. All persons assessed for taxable property shall perform Statute Labor on the public highways, and in the respective Statute Labor Divisions in which their property is situated as follows: For property assessed at \$200 and under, two days; over \$200 up to and inclusive of \$500, two and one-half days, and for each \$500 or part thereof above the first \$500, one-half day additional; but the said labor may be commuted at One Dollar for each day's labor, or a proportionate sum for any part of a day's labor, if tendered in money to the Overseer within three days from the time he was notified to perform Statute Labor; and in case the work is not performed or the money tendered as aforesaid, the Overseer shall return the said labor to the Clerk as unperformed, and the Clerk shall place the same on the Col-

lector's Roll at the rate of one dollar per day. Provided that no person shall be required to perform a greater amount of Statute Labor in the aggregate, by reason of his property being divided into several parcels, or situated in different Statute Labor Divisions, than he would be required to perform according to the above scale were his land all in one parcel; and the Assessor and Clerk shall see that such labor is distributed equitably according to the assessed value of each parcel as nearly as may be. Provided that village lots or other small parcels assessed to any person jointly with other lands, the assessment of which would not increase the aggregate of his Statute Labor, shall be exempt.

3 It shall be the duty of Overseers, after having received notice of their appointment, to make the declaration of office, at or before the time named in such notice, before the Reeve, Deputy-Reeves, Clerk, or any Justice of the Peace, and shall deposit the same with the Clerk of the Municipality, from whom he shall receive the names of all persons appearing by the Assessment Roll as liable to perform Statute Labor, and shall add thereto the names of all persons liable under the first clause of this By-law; and shall give to all persons resident in the division, and liable to perform Statute Labor, at least three days notice, stating the time and place at which they will be required to work and what implements will be required. Provided that no person shall be required to furnish implements not in their possession.

4. It shall be the duty of the Overseers to superintend, make and keep in good repair, the highways, ditches and sidewalks within their divisions, and expend faithfully to the best of their ability, all moneys received by them in lieu of Statute Labor, as directed in the Ninth Clause hereof; to cause sufficient guards to be erected at all dangerous places, and to see that all work of ditching or grading is completed before the first day of August in each year; to prevent any person from ditching or grading after the said date. But if for any unforeseen or unavoidable reason the work cannot be performed before the said first day of August, the Overseer may, with the consent of the Commissioner, allow the work to be performed afterwards, but no Overseer shall allow work to be performed under any circumstances, later than the first day of September, and no certificate from an Overseer will be entertained or allowance made for work so performed except so authorized under Clause 5 hereof. Provided that all persons whose lands abut on Sidelines or Townlines shall, to the extent of at least one hundred acres in each complete lot, perform their statute labor on such Sidelines or Townlines, unless otherwise ordered by the Council.

5. It shall be the duty of the Overseers, in case of any serious damage to bridge or embankment, or in case of impediment by snow or other cause, to call out the ratepayers of their division to repair such damage or remove such impediment to the extent of their statute labor for the ensuing year, and the Overseer's certificate shall be sufficient to exempt all such persons from the amount of Statute Labor so performed, and in case the amount of Statute Labor at the disposal of the Overseer is not sufficient for such purpose, then, the Overseer shall immediately report to the Commissioner of

the division, and after such report the responsibility of the Overseer shall cease.

6. It shall be the duty of the Overseers to make a correct return to the Clerk of the Municipality not later than the first day of September in each year, of all Statute Labor performed and unperformed. Also, an account of the moneys received by him in virtue of his office and how expended; and the Clerk is hereby required to place on the Collector's Roll the sum of two dollars against every Overseer who has not made his return at said date, and one dollar for each days labor not then reported as having been performed.

7. It shall be the duty of the Overseers to impound all horses, cattle and pigs, etc., running at large or injuring the public highway, as provided in By-law No. 437, respecting pounds, and to prosecute before any Justice of the Peace any person or persons who shall injure or destroy any tree or shrub growing or planted for shade or ornament upon any public highway, or who shall cut down or deface any signboards, or any printed or written notices, or who shall place any timber, stone, wood, fences or any other incumbrance upon any public highway, or who shall commit any wilful injury to any bridge, embankment, ditch or sidewalk upon any public highway. Such persons being convicted thereof before any Justice of the Peace, shall be liable to the penalties hereinafter imposed.

8. It shall be the duty of the Overseer to cause to be cut down all noxious weeds growing on the highway, and to prevent their going to seed, and in every other way to enforce and to assist in enforcing the provisions of "The Act to prevent the spreading of Noxious Weeds."

9. It shall be the duty of the Overseers to expend the money received by them in commutation of Statute Labor, in letting work by public sale to the lowest bidder, after posting notice of such sale in at least three public places in the locality three days prior to the sale, except where such work will not exceed the sum of five dollars, or in case any bridge, culvert, embankment or other part of any highway gives away so as to endanger public travel thereon, then in such case the work may be proceeded with at once on the most favorable terms without such notice.

10. For the purposes of this By-law eight hours shall constitute one day's labor, and eight hours of one man and team, with plow, scraper or wagon, shall constitute three days labor. All damage to animals or implements to be at the risk of the owner.

11. Overseers shall be allowed to the extent of their Statute Labor, not exceeding eight days, for the performance of their duties as Overseer, and no more.

12. Any person or persons neglecting or refusing to perform the duties herein imposed, shall, upon conviction thereof before any Justice of the Peace, incur a penalty of not less than two dollars, and not exceeding twenty dollars, together with the costs of prosecution and distress, which shall be recovered by distress of the offenders goods and chattels; and in case there is not sufficient distress such offender may be committed to the common gaol of the County and there put to hard labor for any time not

exceeding ten days, unless such penalty and costs and the costs of the warrant of commitment and of conveying the said person to gaol be sooner paid; and all such fines, other than costs recovered under this Section, shall be paid to the Treasurer of this Corporation.

13. All By-laws heretofore passed inconsistent with this By-law are hereby repealed.

Read a third time and passed this Twenty-seventh day of December, A. D. 1894.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 631—A BY-LAW

To impose a special drainage rate upon east half Lot No. 11, in the Front Concession.

Passed 27th December, 1894.

WHEREAS Jessie Williams, the owner of east half Lot 11, in the Front Concession of this township, applied under the provisions of the Act respecting Tile, Stone and Timber Drainage Debentures for a loan to be made to her for the purpose of draining the said land.

And whereas the Municipal Council has, upon her said application, loaned the said Jessie Williams the sum of three hundred dollars, to be repaid with interest by means of the rate hereinafter imposed.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, that an annual rate of twenty-two dollars and eight cents is hereby imposed upon the said land for a period of twenty years, such rate to be levied and collected at the same time and manner as ordinary taxes are levied and collected.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 632—A BY-LAW

To amend By-law No. 629, which see as amended.

No. 633—A BY-LAW

To appoint certain Municipal Officers,

BE IT ENACTED by the Municipal Council of the Township of Raleigh, in the County of Kent.

1. The following named persons are hereby appointed Commissioners of Rural Road Divisions and Watercourses, viz:

In the First Rural Road Division—James Chinnick.

In the Second Rural Road Division—Robert J. Morrison.

In the Third Rural Road Division—Levi B. Marshall.

In the Fourth Rural Road Division—Nelson H. Shepley.

In the Fifth Rural Road Division—Letson A. Pardo.

2. The following named persons are hereby appointed a Local Board of Health under the provisions of the Public Health Act and amendments thereto, viz:

Robert J. Morrison, Chairman, Ex-officio; John G. Stewart, Secretary Ex-officio; Sylvester N. Young, M.D., Medical Health Officer; Nelson H. Shepley, James Chinnick and Letson A. Pardo.

The said Secretary shall be paid a salary of Fifteen Dollars. The said Medical Health Officer, a salary of fifteen dollars per annum and each member of the Board, for each day he is called upon to act shall be paid two dollars.

3 The following named persons are hereby appointed Auditors, viz: Donald McPherson, nominated by the Reeve, and James N. Halliday, nominated by the Council, who in consideration of the sum of twelve Dollars each per annum, shall perform all the duties required by Section 263 of "The Consolidated Municipal Act, 1892."

4. Albert Williams is hereby appointed Assessor, who, in addition to the duties required under the provisions of "The Assessment Act," shall perform all the duties required under By-law No. 505, respecting collection of dog tax. Also the duties required under Section 11, of the Act respecting Truancy, and compulsory attendance at School, Cap. 56, 54 V., and equalizing of Union Schools, and the said Assessor for such duties duly performed shall be paid the sum of one hundred dollars.

Passed in open Council this Twenty-first day of January, A. D. 1895.
J. G. STEWART, Clerk. (Seal.) R. J. MORRISON, Reeve.

No. 634—A BY-LAW

For the appointment of an engineer under the Ditches and Watercourses' Act, 1894. As amended by By-law No. 635.

Finally passed 21st January, 1895.

The Municipal Council of the Township of Raleigh in the County of Kent enacts as follows:

1. Pursuant to the provisions of Section 4 of the Ditches and Watercourses' Act, 1894, William G. McGeorge, P.L.S., of the Town of Chatham, in the County of Kent, is hereby appointed as the engineer for this municipality to carry out the provisions of the said Act.

2. The said engineer shall be paid the sum of five dollars per day for services rendered under the said Act.

3. The Clerk of the Municipality shall be paid the sum of two dollars in respect of each of the parties included in the award of the engineer, in full of all charges for services rendered under the said Act.

4. This By-law shall take effect from and after the final passing thereof.

J. G. STEWART, Clerk. (Seal.) R. J. MORRISON, Reeve.

No. 635—A BY-LAW

To amend By-law No. 634, which see as amended.

No. 636—A BY-LAW

To divide the Township of Raleigh into Statute Labor Divisions:

The Municipal Council of the Corporation of Township of Raleigh enacts as follows:

1. The said Township shall be divided into Statute Labor Divisions, the limits of which shall comprise all the lands between the centres or blind lines of the lots, and including all sideroads, on each side of the roads hereinafter referred to, unless otherwise expressed, and the numbers and designations of which shall be as follows:

In R. R. Division No. 2.

- No. 1 River Road from lots 1 to 6 inclusive.

- No. 3 Road between Cons. 2 & 3 from lots 1 to 6 inclusive and Townline and Diverted Road north of C. P. Ry.
- No. 4 Road between Cons. 3 & 4 from lots 1 to 6 inclusive.
- No. 5 Road between Cons. 5 & 4 from lots 7 to 12 inclusive.
- No. 6 Road between Cons. 4 & 5 from lots 1 to 6 inclusive.
- No. 7 Road between Cons. 4 & 5 from lots 7 to 12 inclusive.
- No. 8 Road between Cons. 5 & 6 from lots 1 to 6 inclusive.
- No. 9 Road between Cons. 5 & 6 from lots 7 to 12 inclusive.
- No. 10 Road between Cons. 6 & 7 from lots 1 to 6 inclusive.
- No. 11 Road between Cons. 6 & 7 from lots 7 to 12 inclusive.
- No. 12 Road between Cons. 7 & A from lots 1 to 7 inclusive.
- No. 13 Road between Cons. 7 & A from lots 7 to 12 inclusive.
- No. 14 Road between Cons. A & 8 from lots 1 to 6 inclusive.
- No. 15 Road between Cons. A & 8 from lots 7 to 12 inclusive.
- No. 16 Village of North Buxton.
- No. 17 Village of Fletcher.
- No. 18 West Townline from C. P. Ry. to centre of 8th con.

In R. R. Division No. 1.

- No. 19 River Road from lots 13 to 18 inclusive.
- No. 20 River Road from lot 19 to 22 inclusive.
- No. 21 Road between Cons. 4 & 5 from lots 13 to 16 inclusive.
- No. 22 Roads between Cons. 4 & 5 and 5 & 6 on lot 19, and 18 & 19 Sideroad across Cons. 4 & 5.
- No. 23 Road between Cons. 5 & 6 from lots 13 to 18 inclusive.
- No. 24 Road between Cons. 1 EB & 2 EB from lots 20 to 23 inclusive.
- No. 25 Northwood's Subdivision.
- No. 26 Road between Cons. 6 and 7, from lots 13 to 19 inclusive.
- No. 27 Road between Cons. 2 EB and 3 EB, from lots 20 to 24 inclusive.
- No. 28 Road between Cons. 7 and A, from lots 13 to 19 inclusive.
- No. 29 Road between Cons. 3 EB and 4 EB, from lots 20 to 24 inclusive.
- No. 30 Road between Cons. A and 8, from lots 13 to 18 inclusive.
- No. 31 Road between Cons. 4 EB and 8, from lots 19 to 25 inclusive.
- No. 32 East Townline North of centre of 8th Concession.

In R. R. Division No. 3.

- No. 33 Road between Cons 8 and 9, from lots 1 to 6 inclusive.
- No. 34 Road between Cons 8 and 9, from lots 7 to 12 inclusive.
- No. 35 Road between Cons 9 and 10, from lots 1 to 6 inclusive.
- No. 36 Road between Cons 9 and 10, from lots 7 to 12 inclusive.
- No. 37 Road between Cons 10 and 11, from lots 1 to 6 inclusive.
- No. 38 Road between Cons 10 and 11, from lots 7 to 12 inclusive.
- No. 39 Road between Cons 11 and 12, from lots 1 to 6 inclusive.
- No. 40 Road between Cons 11 and 12, from lots 7 to 12 inclusive.
- No. 41 Road between Cons 12 and 13, from lots 1 to 6 inclusive.
- No. 42 Road between Cons 12 and 13, from lots 7 to 12 inclusive.
- No. 43 Road between Cons 13 and 14, from lots 1 to 6 inclusive.
- No. 44 Road between Cons 13 and 14, from lots 7 to 12 inclusive.
- No. 45 Village of South Buxton.
- No. 46 Village of Merlin.
- No. 47 West Townline from centre of 8th Concession to Merlin.
- No. 48 West Townline from Merlin to Lake Shore.

In R. R. Division. No. 4.

- No. 49 cons 8 and 9, from 13 to 18 inclusive.
- No. 50 cons 8 and 9, from lots 19 to 25 inclusive.
- No. 51 cons 9 and 10, from lots 13 to 18 inclusive.
- No. 52 cons 9 and 10, from lots 19 to 25 inclusive.
- No. 53 cons 10 and 11, from lots 13 to 18 inclusive.
- No. 54 cons 10 and 11, from lots 19 to 25 inclusive.
- No. 55 cons 11 and 12, from lots 13 to 18 inclusive.
- No. 56 cons 11 and 12, from lots 19 to 25 inclusive.
- No. 57 cons 12 and 13, from lots 13 to 18 inclusive.
- No. 58 cons 12 and 13, from lots 19 to 25 inclusive.
- No. 59 cons 13 and 14, from lots 13 to 18 inclusive.
- No. 60 cons 13 and 14, from lots 19 to 25 inclusive.
- No. 61 Village of Charing Cross.

4. Each of the said herein appointed officers shall, forthwith, comply with the conditions and perform the duties pertaining to the several offices,

as defined in the By-laws of this Municipality and the Statutes of Ontario in that behalf, subject to the penalties in the said By-laws and Statutes contained.

Read a third time and passed this Twenty-fifth day of February, A. D. 1895.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

No. 638.—A BY-LAW

To appropriate certain sums of money for the improvement of the roads and bridges in the Township of Raleigh.

The Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent, enacts as follows:

1. The following sums are hereby appropriated for the improvement of the roads and bridges in the said Township of Raleigh, that is to say:

In the First R. R. Division, the sum of three hundred dollars.

In the Second R. R. Division, the sum of three hundred dollars.

In the Third R. R. Division, the sum of three hundred dollars.

In the Fourth R. R. Division, the sum of three hundred dollars.

In the Fifth R. R. Division, the sum of three hundred dollars.

The Commissioners of the said R. R. Divisions respectively shall expend the same.

2. The following sums accruing due from Statute Labor Tax shall be expended in the several Statute Labor Divisions from which they were collected, as reported by the Clerk, that is to say:

In the First R. R. Div the sum of \$43.91.

In the Second R. R. Div. the sum of \$86.41.

In the Third R. R. Div. the sum of \$50.50.

In the Fourth R. R. Div. the sum of \$34.48.

In the Fifth R. R. Div. the sum of \$54.00.

The Commissioners of the said R. R. Divisions shall superintend the expenditure of the same within their respective divisions.

3. On the Townline between Raleigh and Harwich, the sum of one hundred dollars, and that N. H. Shepley be Commissioner to expend the same.

4. On the Townlines between Raleigh and the Town of Chatham, the sum of twenty-five dollars, and that N. H. Shepley be Commissioner to expend the same.

5. On the Townline between Raleigh and Tilbury East, the sum of one hundred dollars, and that R. J. Morrison be Commissioner to expend one-half on the north part, and that L. B. Marshall be Commissioner to expend one half on the south part.

7. Provided that the sums appropriated in the third, fourth and fifth clauses of this By-law are conditional on equal amounts being appropriated for the said purposes respectively by the adjoining municipalities.

8. It shall be the duty of the said Commissioners to expend the sums

hereinbefore appropriated, for the purposes and in the manner so provided; and they are hereby authorized to grant orders on the Treasurer of this Corporation to persons filling contracts thereon, not exceeding the amounts so appropriated for such purposes respectively, less the amounts hereinafter specified as overdrawn by the respective Commissioners of the previous year, stating on each order the nature of the work done and where it was performed. Provided always, that no Commissioner shall exceed the amounts hereinbefore appropriated, without having first obtained the consent of the Council, and the Treasurer notified thereof by the Clerk.

9. It shall be the duty of the Treasurer to charge the respective accounts with the following sums, shown by the Auditor's Report to be overdrawn, viz:

In R. R. Division No. 1 the sum of.....	\$64 76
